INSTRUMENT TABLE

E

EOX5202

ENJOY QUALITY AND DESIGN

supportLine

Item No.: 3351 0026

The *supportLine* mobile instrument table is designed to be an ergonomic aid to supplement treatment and surgeon's chairs.

**The practical
little helpers**

Technical specifications

Chassis

- Footprint 680x400 mm
- 4 castors (electrically conductive, 2x brakeable) ø 52 mm

Lifting column

- Height adjustment 730 – 1,000 mm

Stainless steel tray 650x530 mm

Upper frame 740x540 mm

Weight 17,5 kg

Max. load 10 kg

Subject to technical modifications.

The perfect addition for your OR

Pneumatic spring technology/foot pedal

The integrated pneumatic spring technology enables the instrument tray to be stopped and positioned smoothly at a suitable working height for the surgeon. Infinitely variable height adjustment via foot pedal.

supportLine plus

Item No.: 3351 0045

The *supportLine*'s maneuverability, optimised stability and resistance to tipping, its stainless steel design for the user's operating area and its hard-wearing, hygienic surfaces are designed specifically for versatile use in the operating room. The *supportLine plus* mobile instrument table is a 20 cm higher version.

Technical specifications

Chassis

- Footprint 680 x 400 mm
- 4 castors (electrically conductive, 2 x brakeable) \varnothing 52 mm

Lifting column

- Height adjustment 930 – 1,200 mm

Stainless steel tray

650 x 530 mm

Upper frame

740 x 540 mm

Weight

17,5 kg

Max. load

10 kg

Subject to technical modifications.

Tray

The removable, high-quality stainless steel tray is heat-resistant, easy to clean and disinfect and offers plenty of space for holding surgical instruments with an area of 65 x 53 cm.

Push handle/double castors

With the wide push handle and the four maneuverable and electrically conductive double castors, the *supportLine* and the *supportLine plus* can be easily positioned and braked.

WITH PRODUCT UPGRADE

Upgrade your OR to perfection.
